**Email address:** rbvaquatics@gmail.com  
**Entries must be received by Saturday April 29 by 8:00pm**  
Questions should be directed to Pat Emaus at 517-881-0272. We are using the Hy-Tek program, same as you will use for CIF.

**ENTRY MATERIALS:ELECTRONIC ENTRIES.** Use Hy-Tek Team Manager to export your entries to a disk. Like CIF, this is your OFFICIAL entry. Check it carefully. What is on the disk is what they will swim. Follow the directions carefully. The computer will generate the entry cards. (Use your school name without High School in name. Use the year of the athlete as FR-SR not 9-12. Team abbreviations are LCC-AN-CARL-TP-CCA-SFC. Leave LSC blank.) Don't forget to list alternates on the relays. **(Don't forget to list divers)**

**ENTRIES:** Each school is allowed four (4) entries in each of the individual events and two (2) teams (A and B) per relay event. Individuals are allowed to enter four (4) events, no more than two (2) of which may be individual events. The meet will follow CIF and National Federation Rules, and you are reminded that even though the meet spans two days it is considered a single meet as far as entry limits are concerned. This will be a trials and finals format. Relay contestants DO NOT count until they swim. Once a relay contestant swims in the prelims, they are locked into that event. They cannot switch from one relay event to another. Alternates that did not swim in either relay, but are listed on both, may still be alternates and swim if

needed. Non-qualifying or disqualification does NOT open a swimmer up for swimming in another relay.

**Scoring:** Team scoring will follow the National Federation rule book. The top sixteen swimmers, in individual events, will score. Only the “A” relay will be eligible to score.
